

LUCK & COURAGE

Well, yes, there is a difference
between chickening out and losing.
Whether you look for a way out
or swearing at fate -
in the end it's luck and courage that count.

They say fear gives you wings
And it is capricious like the wind
I take my hat off to those who mock fear -
In the end it's luck and courage that count.

Who's not being made to dance by the wind?
Who does not bend to the wind?
Who knows from where and when the wind blows?
Upon whom does the wind blow favour?

How would you like to be remembered?
Do you want to be someone who is missed?
Do you want your soul to still glimmer and flicker in a few hearts
Or are you someone who's best forgotten quickly?

Who's not being made to dance by the wind?
Who does not bend to the wind?
Who knows from where and when the wind blows?
Upon whom does the wind blow favour?
